SPEAKER MARVEL: The motion is carried. The bill is postponed. The Chair wishes to congratulate Senator Newell. There may be others who wish to practice the same. Is Senator Venditte in the room? We will pass over 254 and 471. Is Senator Hoagland here? Senator Hefner, are you ready with 324? Senator Koch, are you ready with 526? We will pass over 324. We will turn to Senator Reutzel for committee amendments to 324.

CLERK: Mr. President, LB 324 was introduced by Senator Peter Hoagland, excuse me, by Senator Elroy Hefner. (Read title.) The bill was first read on January 16. It was referred to the Constitutional Revision and Recreation Committee. The bill was advanced to General File. There are committee amendments pending by Senator Reutzel's Constitutional Revision and Recreation Committee.

SPEAKER MARVEL: The Chair recognizes Senator Reutzel.

SENATOR REUTZEL: Mr. Speaker, members of the body, it is very simple. It is a one word amendment. It is a technical amendment. Senator Hefner who sits on the committee has agreed to it. A legal counsel suggested this one word change in order to clarify Senator Hefner's intent. Senator Hefner, you have no problem with this, the one word amendment? It is very simple. I would move for the adoption of the committee amendments.
